FAVORS BRITISH AND VICTIMS' FAMILIES

Lincoln Park Association In-
dorses \$10,000 Firemen-
Policemen Benefit.

The bill introduced in the House yesterday to give \$10,000 to the family of a fireman or policeman killed in line of duty was endorsed by the Lincoln Park Citizens' Association at a meeting in Ingram Memorial Church last night.

George H. Judd, president, told the members of the introduction of the bill and asked their opinion of it. Ray L. Smith promptly moved that the organization endorse the bill, and the motion was adopted unanimously.

Would Change Lincoln Park Stops.
The present location of the car stops at both ends of Lincoln Park was discussed, several members characterizing them as inconvenient. A resolution was adopted asking the Public Utilities Commission to place the stops in the middle of the block on each side of the park.

Another resolution was adopted requesting the District authorities to request the Lincoln Park one-way thoroughfare. The resolution asked that the south side be designated for eastbound traffic and the north side for westbound vehicles.

The Washington Railway and Electric Company will be asked by the association to run some of the cars around Lincoln Park cars by way of Union station.

E. L. McNulty pointed out that some of the westbound Lincoln Park cars now go by way of Union station to the Treasury and then return to the park by way of the courthouse. His resolution asks that these cars only be routed by way of the station eastbound. At the suggestion of Ray L. Smith, Mr. McNulty's motion was amended to make it clear to the company that the association does not want the regular Lincoln Park service by way of the courthouse changed.

On motion of D. A. Edwards the association voted to ask the commissioners to recommend the paving of Kentucky avenue from South Carolina avenue to D street southeast.

Adopted Proposal for Elections.
The proposal of the Federation of Citizens' Associations that all of the neighborhood organizations hold their annual elections on the first Tuesday after the first Monday in November was adopted by the Lincoln Park Association. Under this plan a regular election will be held every year in October, and on election day the ballots will be cast at election booths just as the voters do in the states.

ADRIATIC PROBLEM EVEN MORE TENSE

Jugoslav Reply Unsatisfactory, Italy May Stand on London Pact.

PARIS, January 20 (by the Associated Press).—With the disbanding of the supreme council without a settlement of the Adriatic question, Premier Nitti of Italy declared he stood by his ultimatum that if the Jugoslavs did not accept Italy's terms tonight he would withdraw his compromise offer and that "Italy will demand that France and Great Britain execute purely and simply the treaty of London of April, 1915."

Prior to the breaking up of the council the Jugoslav reply to Italy's demands had been presented. Signor Nitti declared the terms unacceptable. The Jugoslav note said it constituted "the supreme effort" of Jugoslavia to bring about an agreement with Italy. This fact taken in connection with Premier Nitti's statement, apparently leaves the situation a tense one.

The Jugoslavs accept internationalization under the league of nations for Fiume and Zara, concede to Italy the islands of Lussina and Pelagosa and agree to the demilitarization of the Adriatic islands with the condition that the island of Lissa remain Jugoslavia.

The right of the Italians in Dalmatia to choose Italian nationality without leaving Jugoslavia is recognized by the Jugoslavs, who also agree that Italian national rights in Dalmatian industries shall be guaranteed by an international convention. They refuse to make any alteration of the line drawn by President Wilson. The note says the desire of the Albanians for independence will be respected, but if necessary the Jugoslavs will accept all the proposals.

Nitti Leaves for Rome.
Signor Nitti, the Italian premier, left this evening for Rome, and David Lloyd George, the British prime minister, will depart for England tomorrow morning. M. Clemenceau indicated this evening that he would turn over the affairs of the council tomorrow.

The official communication of the supreme council issued this evening says: "The council took cognizance of the Jugoslav answer to the Italian plan for settlement of the Adriatic question. The Jugoslav government having made reservations, it has asked to give a definite reply on the subject between now and the end of the week. Mr. Pachtich and Trumbitch (the Jugoslav representatives) were heard."

U. S. FIRM ON ADRIATIC.

No Change in Position Has Been Made. It Is Announced.

It was officially stated yesterday there had been no change in the American position regarding the settlement of the Adriatic question since announcement of this country's attitude by the President in Paris and that there is a determination to abide strictly by the terms of the agreement with Jugoslavia for the adjustment of the claims of that country and Italy for the territories bordering the Adriatic.

Easy Way to Keep
Your Hair In Curl

If you have trouble keeping your hair in curl, you'll do well to try plain liquid saleratus. Apply a little at night with a clean tooth brush, drawing this down to the full length of the hair from root to tip. The hair will dry in the most natural and curls that you can arrange, and the effect will appear almost instant. Instead of that dull, dried-out look which the heated iron gives, the hair will be bright, lustrous and beautiful.

Liquid saleratus is of course perfectly harmless to hair and scalp, and is neither greasy nor gummy. If you will get a few ounces from your druggist you will find it quite inexpensive to use.—Advertisement.
